## S.E.T. Tools Halligan Bar

- Drop Forged high carbon steel crafted with pride by tradesmen who value the fire service!
- 100% Made and manufactured in the USA
- EVERY Halligan is tested for strength and quality to make sure standards are exceeded
- Used for forcible entry, overhaul, extrication, lifting and prying
- Our Halligan Bar comes “tuned” for forcible entry operations
  - Redesigned Adz with a smooth striking surface to eliminate awkward striking angles
  - Thin Forks with 1 inch spread between tines for removal of door knobs
  - Reference line for depth when gapping and setting the tool
  - Squared off shoulders for a solid striking surface
